and Updating Infrastructure while**

**enhancing the
community!**

Environmental Assessment (EA) has been released for Public Comment

After extensive data analysis and evaluation, ***the EA was made available for public review and comment on June 12, 2013 at www.circleinterchange.org, local libraries located within the study area and the Department's Schaumburg office.*** A complete listing of these locations can be found on the project website. The EA defines environmental impacts, alternatives, and issues of concern to the community. Comments on the EA will be accepted through July 12, 2013.

The Public Hearing will be an open house format, and interested persons may attend anytime between 5:00 and 8:00 p.m.

There will be a continuous PowerPoint presentation, and the public is encouraged to attend to review the EA, local and regional benefits, design and aesthetic elements, ask questions and share their views. In addition, noise abatement measures are being investigated for potential installment. Viewpoints of benefited receptors are being solicited as part of the proposed improvement. The deadline for returning the "Viewpoint Form" has been extended to July 12, 2013. Attendees are encouraged to provide verbal or written testimony to court reporters that will be included as part of the public record and speak with study team representatives on a one-on-one basis. ***A public forum will begin at 6:00 p.m. where the public will be invited to make statements to a court reporter.***

* The meeting is accessible to individuals with disabilities. Anyone needing specific assistance should contact Amanda Leonard of Images, Inc. at (630) 510-3944. Persons planning to attend who will need a sign language interpreter or other similar accommodations should notify the TTY/TTD number (800) 526-0844/or 711; TTY users (Spanish) (800) 501-0864/or 711; and for Telebraille dial (877) 526-6670 at least five days prior to the meeting.
