- Comments and alternative concepts received by **July 12, 2013** will become part of the Public Hearing record

**June 27, 2013
Public Hearing #2 Comment Form**

The purpose of today's Public hearing is to present to you the Draft Environmental Assessment (EA) which defines environmental impacts, alternatives, benefits, and mitigation approaches at the MCEC. In addition, local and regional benefits, design and aesthetic impacts will be displayed for viewing.

DOT encourages your input throughout this project. Please place your comment forms in the box marked "COMMENTS" or fax to (847) 705-4159; or fold in thirds, tape closed, place a stamp and mail. In addition, the Project's website (www.circleinterchange.org) also accepts comments.

Please send comments related to this meeting by July 12, 2013. Comments received by this date will become part of the Public Hearing record.
